Dear Mr. Fawcett:

On behalf of the Columbia Forest Products Labour Adjustment Committee, we would like to take this opportunity to advise you that the Action Centre, located in Mattawa, will be closing its doors effective December 31/06.

The committee would like to take this opportunity to sincerely thank you for your assistance and support on behalf of the community and workers.

Without the support, enthusiasm, encouragement and involvement of outside forces such as yours, our clients would not have had all of the necessary provisions and advantages that have been extended to them and their families.

We cannot adequately express the magnitude of our appreciation!

Sincerely,

Janice Dupuis, Joanne Landry
