Transport Placement Service

January 11<sup>th</sup>, 2007

I would like to take this opportunity to thank you for your continued efforts in assisting us in servicing our customers.

Over the past several years, you have been able to provide us with quality personnel that satisfied our needs.

In our highly reactive industry, your staff have been able to provide fully trained able drivers/delivery representatives time and time again, at the last minute. In addition, the planning and selection of people that you have sent for vacation replacement, and busy seasons have also been appreciated.

Again, we would like to thank you for your support over the years, and look forward to a continued partnership in future.

Regards,

Randy Boudreau,  
Transportation Supervisor
